Professor of History at
Calvin University

Jesus and John Wayne: Evangelical Masculinity, Family Values Politics, and the Rise of Christian Nationalism

Drawing on her *New York Times* bestselling book, author Dr. Du Mez explains how the study of evangelical popular culture makes clear that recent political events do not represent the betrayal of evangelical values, but rather their fulfillment. By examining Christian radio, celebrity pastors, and popular religious books like John Eldredge's *Wild at Heart*, it becomes clear that Christian nationalism and family values have long gone hand in hand, indelibly shaping the Christian faith and the American nation.

Saturday, April 15th, 2023

03:00 PM - 04:30 PM

Ent Center for the Arts,
Chapman Auditorium

Free to the public and free parking
